Dear Parents/Guardians:

The ACT test with writing will be offered to RHS juniors and seniors on **April 25, 2023**. *There is a limited number of spots available and registration is on a first come first serve basis. Once the capacity has been reached, students can put their name on a waitlist in case spots open up.* The fee for the ACT test with writing is **\$68.00**. **All juniors and seniors planning to take the ACT must register by March 1, 2023**. If the fee is not paid, your student will be removed from the list.

[Click here to register](#)

The fee will be assigned to your student's Infinite Campus account. An email notification will be sent after the registration deadline when the fee is ready to pay online through your [Parent Portal](#). If your family qualifies for the free or reduced lunch program, please have your student meet with our counselor, Ms. Bloom, as your student may qualify for a waiver of the testing fee per Minnesota Statutes, section 120B.30.

**If your 11th or 12th grade student plans to take the ACT, we encourage them to visit <http://www.actstudent.org/testprep/> to help prepare for the test. Students can also find testing resources on their google guidance pages.**

If you need to contact your junior or senior student on the testing day, please call the RHS office (763) 477-5846.

**Below is a list of items students will need to bring for the test:**

- A fully charged Chromebook (If you do **not** have your Chromebook, you will not be allowed to take the exam)
- Photo I.D. (school I.D. or driver's license), juniors and seniors only
- #2 pencils (no mechanical pencils allowed)
- A permitted calculator may be used on the math portion ([click here for a list of permitted calculators](#))

**Tips for taking the test:**

1. Make sure your child gets a good night's sleep before the test.
2. Provide a healthy breakfast on test day. Options for a healthy breakfast include whole grains (whole wheat bread or oatmeal), protein (eggs, meat), fresh fruits/vegetables, and dairy (milk, yogurt, cheese). Avoid sugary cold cereals, donuts or sugary juice.
3. Have your child dress comfortably and arrive at school on time.
4. If possible, do not schedule trips, dental or medical appointments or early pick-ups on testing day.

*In partnership with our communities and families, Rockford Area Schools provides challenging opportunities to engage, inspire, and educate globally minded citizens.*
